UNDER THE HOOD · THE AGENT SETTINGS

Three settings do it.

Joanne's agent · what Claude sets

```
"transfer_to_agents": [
  { "name": "Jim Bob", "agent_id": "…" },
  { "name": "Miss Hattie Mae", "agent_id": "…" }
],
"transfer_targets": [
  { "name": "On-call manager",
    "number": "+1••••••••••",
    "reason": "safety, disputes, stuck" }
],
"whisper_enabled": true
```

BUILD IT · SAY THIS

Three asks to wire the team.

Say this · Claude Code in the Agent Kit

```
> wire the handoffs
```

Say this · Claude Code in the Agent Kit

```
> Add a transfer_call to a person on all three agents, using MY_PHONE_NUMBER from .env, named On-call manager, for safety issues, disputes and anything stuck. Turn whisper on.
```

Say this · Claude Code in the Agent Kit

```
> Add a short handoff section to each of the three prompts: when to hand off, to whom, and to say who they're handing to before they do it.
```

TEST IT · SAY THIS

One call through all three.

Say this · Claude Code in the Agent Kit

```
> Place a test call from Joanne to my phone.
```

THEN SAY	THEN	THEN
Ask about your rental	"It's grinding when I swing"	"And what do I owe?"

Say this · Claude Code in the Agent Kit

```
> Show me the transcript of that last call, split by agent.
```

The whisper: call again, say "someone got hurt on site", pick up the on-call phone and listen first.

THE TEST · WHAT SUCCESS LOOKS LIKE

Nobody asks your name twice.

JOANNE You're verified, Dan. Your haul truck's on site.

CALLER It's grinding when I swing.

transfer_to_agent · Jim Bob

JIM BOB Grindin' on the swing, Dan? Park it, bucket down, lock it out first.

CALLER And what do I owe?

transfer_to_agent · Miss Hattie Mae

MISS HATTIE MAE Hey there, Dan baby. $46,000 across two invoices.

SUCCESS

- Three desks, one call
- Verified once
- Each desk says who's next
- Jim Bob knows the machine
- No new hello
